I guess I should stop looking
out for you

Like I always do

When will you start looking
out for me too?

Instead of leaving me
staring at my shoes

Looking out for you

Joy Again

I drew this because Encanto
is 1. a REALLY GOOD movie & 2.
it has helped me get through
over a lot of problems in my
teen age life; like my cat
passing, feeling sick, fights
with my dad & just problems
with friends.

Just
Although it's not that ~~easy~~
~~the problem~~ I watch it
when I feel the urge; you
know TO watch it.
